

Our Commitment to Wellness and Safety

At Seravezza, we care deeply about our guests, clients, employees and community. We have all been challenged to adapt to a much different world as a result of the Coronavirus (COVID-19). Our clients and guests can trust that we are equipped with the expertise, resources and capabilities to provide safe event experiences. Through the implementation of safety precautions such as gloves, masks and barriers we will be able to appropriately safeguard our food service. Additionally, we have increased the presence of hand sanitizers and hand washing stations in all our areas. Enhanced hygiene measures and sanitation protocols are implemented in all food preparation and service steps. Our on-site team will work with you to customize your food service delivery based on local health guidance and your event preferences. We are committed to providing the highest quality of food, beverage and service at your event and we look forward to serving you!

We will continue to implement best practices in food service during these challenging times, including responsibly sourced packaging and our sustainability practices.
